

Messy Church at Duffus, Spynie & Hopeman

Messy Church is taking a break over the summer, when everyone is busy enjoying God's creation around us. But it will be back in September 2017, dates to be confirmed soon. We look forward to seeing you then...

Messy Church is a way of being church for all ages. It is fun, based on creativity, hospitality and celebration - and centred on the good news that God loves us, and showed us that through Jesus. After activities and stories together, we share a meal, made for you.

Everyone is welcome, of all churches and none, with little faith or lots. We hope we can all have fun and learn together.

All ages are welcome.

There is no charge, though donations for the work of the church are welcome.

No-one needs to book in advance.

We would encourage children to please come with an adult.

Activities may be temporarily messy, but no-one should end up in too much of a state! At Duffus, we hope to get outside to the playing field too.
