

A reflection for Spring

Listen!

Listen to the birds.

Listen to the wind.

Listen to the sea.

What is God's creation bringing to life in you?

Listen to tractors.

Listen to planes.

Listen to the phone.

What work is God calling you to do?

Listen to friends and family.

Listen to neighbours.

Listen to the news.

Who is needing you to listen to them today?

Listen to silence.

Listen to music.

Listen to your heart.

God speaks to us in so many ways - are we listening?
